As a separate endowment has already been made for Santarpane on Magha Suddha Pournami, it is proposed to utilize the interest on the above amount as well as that paid by the Town Bank on the share amount of Rs 500/, for Dhatri Havana Santarpane. The Dharmadarsi suggest that Rs 514-1-0 may be invested in Post Savings Bank at 4% interest, and the Amildar and the Dy. Commr support them.

The Mysore Post Savings Bank pays interest at 3½ %, while the minimum charitable deposit paying 4 % interest is Rs 3000/.

2	No. 8479 dt 30/7/15 to Dy Mysore, calls for certain addl. infmn re Kunchigara Puttamma & her endowments & her wishes thereof
3	From the Dy: Coms, Mysore Distrct., letter no. 1893 dt 25.10.15 states, in reply, that Kunchigara Puttamma is alive, and that she is not willing that the object of her endowment should be changed and her money utilized for Sri Havana Sankarsane, and that the sankarsane is conducted every year in Sri Ranganathaswamy temple on Magha Siddha Pournami Day. 1) Since Puttamma is not agreable to the change in the objject of her endowment, it is a point for orders whether the sankarsane out of the interest accruing from the endowment of late G.B. Krishnappa is to be celebrated on Magha Siddah Pournami or utilized for Dhatrihavana. 11) In this matter kind attention is invited to the observations made in this office letter (Sl. no. 2) to the Dy: Coms to the following effect: "As far as possible the donor's wishes should

should be complied with and that the fact that another Santarpane takes place on that date does not make it necessarily impracticable that this Santarpane should also be performed on the date in question".

Before it is decided that both Santarpanes should be conducted on the same day, it may, perhaps, be necessary to obtain, if approved, information on the following points:-

1). What is the annual income from Pullamma's endowment?

2) What is the annual income from Mr. G. B. Krishnimpai's endowment money (interest on Town Bank share added to the interest from Govt. Savings Bank)

3) What is the average expenditure on the Santarpane for that particular day (Magha Suddah Pournavami) and also Utsavam?

4) Whether the income from the two endowments put together will not be in excess of the required amount?

5) If the two Santarpanes should be conducted on the same day, what is the most satisfactory way in which they can be conducted?
